TRENDY PAOLO'S CHICK IS TERI-FIC

KING of cool Paolo Nutini was last night crowned Scotland's fashion icon — but even the singer was upstaged by gorgeous girlfriend Teri Brogan.

Stunning Teri wowed onlookers in a red dress as she turned up for the Scottish Fashion Awards at

Glasgow Science Centre with hunk Paolo, 23.

One said: "Paolo looked sharp in his suit but Teri really caught the eye."

Lisa Omand was named Scottish Model of the Year at the bash hosted by MTV babe Laura Whitmore, left, and attended by a host of stars.
